- the Inspiration behind Excellence

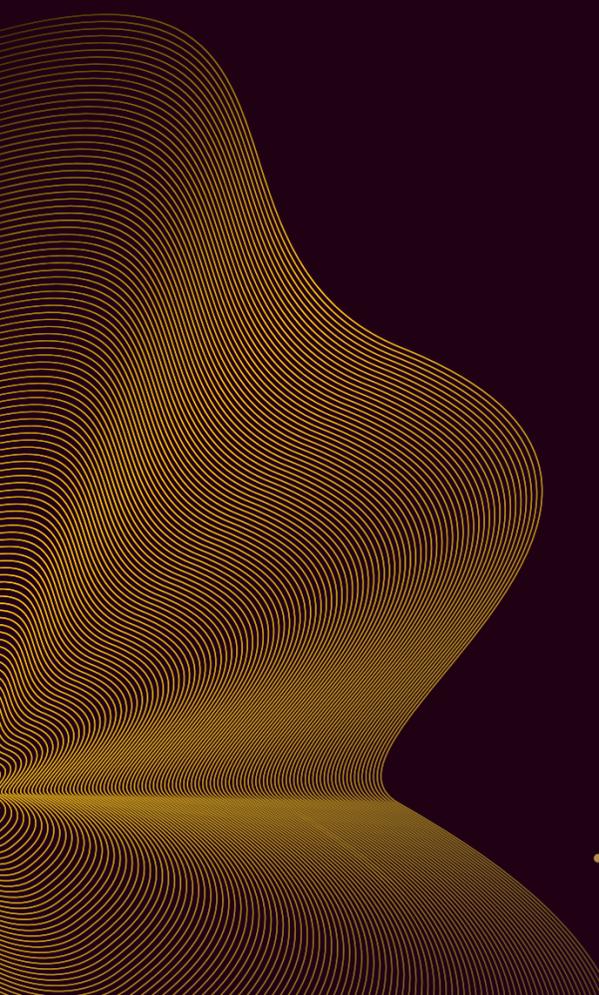

In the realm of education and healthcare in the state of Maharashtra, one name stands out like a shining beacon, that of Dr. D Y Patil. His vision, dedication and passion have been indelibly influenced by his wisdom and generosity and have left several benchmarks, be it in schools for imparting basic education or institutes for higher learning.

His regard and respect for traditional values and openness to modern ideas, blended perfectly with his admirable personality. The Ramrao Adik Institute of Technology in Navi Mumbai, established three decades ago and the Krish Vigyan Kendra in Kohlapur bear a testimony to his chosen cause. Amongst the hundred and over institutes founded by him, the Padmashree Dr. D Y Patil Vidhyapeeth is virtually the jewel in his crown.

Humble and unassuming, Dr. D Y Patil is better known for his work, rather than the awards and recognition he has received over the years. For his pioneering contribution in the field of education, he was honoured with the title 'Padmashree' by the President of India.
